## Overdraft Protection

Overdraft protection is a service offered on all checking accounts. This service transfers funds from a designated account or loan (if you obtain one) when overdrafts occur. Please indicate your choice below:

- Overdraft from my share savings
- Overdraft from my loan (loan application must be completed)
- Overdraft from my share savings then my loan
- Overdraft from my loan then my share savings

By checking this box, I authorize you to make internal transfer between my accounts, or to disburse funds out of my account by a Credit Union check made payable to me only, on my telephone request. This is a continuing authorization to open any other account for me on my verbal request and deposit of funds. I acknowledge that I received a copy of MCCCUs Truth-in-Savings and Electronic Services Disclosure and Agreement when I first joined the credit union, and that my use of my Credit Union account(s) is/are subject to the terms contained in the Disclosure.
