

Plan to attend Media City Credit Union's Virtual Annual Meeting at 5:30 p.m., on Wednesday, October 28, 2020.

Click [here](#) to join the meeting.

Board Elections will be held for three 3-year term positions and one 1-year term position.

The Nominating Committee has selected the following four individuals as board candidates: Dayna Marks, Gary Kolominski, Koffi Kpachavi, and Edwin Magaña.

2020 Board Candidate Statements

■ **Dayna Marks, Incumbent Director**

Dayna has been a Media City Credit Union member since 2000 and has been on the board of directors for 10 years. Media City CU is her primary financial institution where she uses 5+ credit union products or services on a regular basis.

Previously, she worked for Warner Bros for 11 years in Tax Administration and then went into Payroll as a manager where she dealt with contracts, payroll and auditing. She also worked as an auditor for Princess Cruises and Producers-Writers Guild Pension and Health from where she retired in February 2017. Dayna now also volunteers as the recording secretary for a local chapter of City of Hope.

Dayna adds, "I love having Media City Credit Union as my financial partner and I am the ultimate advocate as an MCCU services power-user."

■ **Edwin Magaña, Vice President of Information Technology, O Bee Credit Union, and Incumbent Director**

Hello Media City Credit Union Members,

I have been a Media City Credit Union member for more than 19 years. I am currently the Vice President of Information Technology at O Bee Credit Union in Washington State and I believe that my 19 years of experience in the Credit Union industry makes me a great and qualified candidate for Media City CU's Board of Directors. I am familiar with the qualifications of this Board as I served on the Supervisory Committee for three years and I am presently a part of the Board of Directors.

I consider Media City CU to be a big part of my work life as they are the first Credit Union where my credit union career began. I bring both knowledge and hands on experience with compliance, cybersecurity and regulations imposed by NCUA and FFIEC. I first worked with Media City CU as a clerk and was given the opportunity to move up to an IT position. If it wasn't for Media City CU, I would have never found my career in IT. They have helped with my work experience and now I want to return the favor by helping them flourish, prosper, and succeed. Not only do I want to help Media City CU, but I also want to help and serve the member-owners, as the mission of the Credit Union is "People helping People".

I appreciate your consideration and would be honored to continue serving the membership of Media City CU. Thank you for your vote.

■ **Gary Kolominski, Incumbent Director and Treasurer**

Dear Members,

First, I would like to thank all of you for allowing me to serve on board of directors since 2013. In the 7 years that I've been on the board, we have achieved several years of solid financial performance, placing Media City CU in a strong well capitalized position. I would like to continue working for our members to push the credit union forward into the future. As Treasurer, I have been involved in the decision-making processes that help us manage and improve our financial operations. I bring to the table over 15 years of experience in corporate finance and accounting in various industries including aerospace, financial services and gaming industries. Together with Media City CU management, we have been able to cut costs, maximize revenues and successfully maneuver through the uncertain times to keep the credit union financially healthy. It is an honor and a pleasure for me to work such a talented team and more importantly, being able to serve the Burbank community for the past 7 years. Thank you again for your support in the last 7 years and I look forward to continuing to serve our membership in the near future.

■ **Koffi Kpachavi, Incumbent Director and Secretary**

I am a 25-year Media City CU member and I am asking for your support in my continued interest to be on the Board of Directors. Previously, I have served as Treasurer and Secretary during my volunteer years with the Credit Union.

My membership began when I was an employee of Hughes Market where I met my spouse who till this day continues to work for Ralphs market. We share two beautiful daughters and one son.

Since 1995, Media City CU has been my primary financial institution that I use for every life milestone. It is the first place I go to for all my financial services and currently use 10-12 of its products and services. In addition, I love to share the legacy of being a member of our Credit Union and have thankfully brought many of my family and friends to join the Media City CU family.

My background in accounting and my personal business has allowed me to bring my experience in helping the Credit Union achieve year-over-year financial success. Media City CU remains financially strong, with a well-capitalized position above its peer average and above the level set by federal regulators.

I remain committed to making sound decisions that are in the best interest of the membership we serve and I humbly request your vote.
